SUMMARY

I am a dedicated professional with experience in data entry, customer service, IT support, project coordination, and operations management. My educational background in social sciences & Public Administration complements my strong organizational and technical skills. I thrive in fast-paced environments, excel at multitasking, and am always eager to contribute positively to any team or project I am part of.

EXPERIENCE

Project Coordinator & Operations

YouExcel Training 08/2025 - Present

- Coordinate project activities, timelines, and resources to ensure successful execution and on-time delivery.
