- Team Supervision
- Scheduling & Planning
- Project Coordination & Delivery
- Stakeholder Communication
- Policy & Quality Compliance
- Process Improvement
- Resource & Inventory Management
- Reporting & Documentation

PROFESSIONAL EXPERIENCE

Project Coordinator – Operations

Aug 2025 – Present

YouExcel Training, Karachi

- Manage end-to-end operations for 600+ students, from enrollment to certification, across Prime Minister's NAVTTC skills projects (80–150 per cohort) and YouExcel's own training programs.
- Run NAVTTC projects end to end (attendance, records, documentation) and handle fees for in-house programs.
- Oversee computer labs, laptops and projectors, setting up and maintaining them for every session.
- Lead student support in person and on WhatsApp, resolving queries, problems and LMS issues.
- Coordinate instructors and schedules, issue certificates and present progress reports to management.

Data Entry Operator / Tech-IV (3 Contracts)

May 2023 – Jul 2025

Karachi Nuclear Power Generating Station (KNPGS), Pakistan Atomic Energy Commission

- Engaged on three contingent contracts during plant refueling outages (2023, 2024, 2025), re-hired each time with a completion certificate.
- **Operations Division** (Data Entry Operator, May–Jun 2023): managed job records and entries in the Main Control Room; prepared letters, muster rolls and proforma documents.
- **Electrical Department** (Tech-IV, Sep–Nov 2024 and May–Jul 2025): handled all paperwork for a 25-member team, including attendance, overtime, and inventory issue and return forms.

Cashier

Aug 2021 – Jan 2022

Bin Hashim Super Mart, Karachi

- Handled cash transactions exceeding PKR 30 million per month with accurate daily entries in the store software.
- Conducted weekly physical inventory audits and reconciled stock against system records.

IT Officer

Jan 2017 – Oct 2019

Gulzar Travels, SITE, Karachi

- Reduced IT support response time by 30% over two years by streamlining support handling.
- Supported company systems, laptops, software and office networking (routers and switches).
- Managed the company's hardware, software and network inventory.

Receptionist (Part-time)

Jan 2017 – Dec 2018

City Medical Hospital, Karachi

- Managed the front desk, patient assistance and cash collection; kept records with weekly reconciliation.

EDUCATION

BS Public Administration – University of Karachi (UoK)

2022 – 2026

Intermediate (Pre-Engineering) – Govt. Jinnah College, Karachi

2017 – 2019

ACHIEVEMENTS & TRAINING

- **Certificate of Appreciation** – YouExcel Training Institute.
- **Gold Medal (1st Position)** – Represented the University of Karachi in a televised competition.
- **Conflict Management at the Workplace** – Professional training course.
